<sup>1</sup> Trend Micro filed the motion on November 11, 2022 as an “opposed” motion without requesting or engaging in a meet and confer as required by Local Rule CV-7 and without a Certificate of Conference. That motion remains pending. OTI reserves its right to contend this motion is improperly filed. Trend subsequently filed a second motion on November 16, 2022 again without engaging in a meet and confer, but removing the indication that it was “opposed” and adding a Certificate of Conference. The parties did not meet and confer until November 17, 2022.
